Head Start and Early Head Start

Our Head Start programs are headed into graduation season at lightning speed. All centers are buzzing getting ready for end-of-the-year programs and participating in field trips. Geneva Head Start Pre-K visited Corn Dodgers while Florala Head Start is going to the Zoo. Andalusia Head Start's Pre-K program went to the Montgomery Zoo, and the whole center went to the local veterinarian clinic to learn more about the animals and the art of becoming a vet. Andalusia also had a huge celebration for our

Head Start Alumni who came from three different high schools in the area. The graduating seniors have great accolades for our Head Start Program.

To read the graduating senior's comments and to see additional pictures please visit our website below.

Wiregrass Transit Dothan and Enterprise

We offer a wide range of transportation services within the City of Dothan, Houston County, Dale County, and the City of Enterprise. Our service area is limited to these areas currently. Individuals residing outside of our service area that wish to use our services must arrange to be picked up and dropped off within the service area. The Dial-a-Ride is the most visible portion of our transportation system and the one most-used by the general public. There are some basic rules for the program:

- You must call at least one day in advance.
- First come, first serve.
- Service is dependent on the availability of seats and vehicles.

Wiregrass Transit Authority in Dothan can be reached at (334) 836-5555. Our Enterprise Office can be reached at (334) 417-1217.
