

3 Scoops Ice Cream Parlor and Deli in Ozark, Alabama, made a sweet start with the help of the Microloan Program, courtesy of SEARP&DC. Their \$35,000 project not only brought a new ice cream haven to the neighborhood but also paved the way for the creation of three new jobs. This charming parlor offers a delightful array of hand-dipped premium Hershey ice cream in 24 flavors, along with tempting sundaes, milkshakes, and a selection of deli items like sandwiches, salads, and soups. Operating from 10:00 am to 7:00 pm, Monday through Saturday, they've recently added a delivery service for those craving a treat at home.
