

24/7 Workplace Injury Triage Hotline

1-855-660-5200

- Immediately following a workplace injury, the Injured Worker should notify their Supervisor of the incident.
- The Supervisor and Injured Worker should immediately call the Triage Hotline which will connect them directly with a Registered Nurse.
- The Nurse will gather details from the Injured Worker regarding the injury to provide appropriate medical triage according to established protocols. This may include instructions for self-care/first aid (per protocols), a referral to a preferred provider clinic, or a referral to the Emergency Room.

**In the event of life or limb threatening injuries, please call 911
or go directly to the nearest Emergency Room.
Do not call the Triage Hotline.**
